Comments on English version on the Laptop

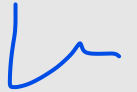

Illustration is too large; the first section has to be of the same width of the laptop screen

Comments on English version on the Laptop

Does not look good; the margins are too large, not aligned and centered, text on the right is too small

**The most convenient way
to store, manage, optimize
and distribute inventory in
Saudi Arabia**

Sirdab is a technology focused startup offering on-demand warehousing and logistics solutions along with the platform which enables you to manage your supply chain

Remove LSC Warehouse & Trieste Nakheel

Date we shared the
comment

6/19/2022

Resolved?

Please remove **LSC** Warehouse and Trieste Nakheel. Replace it with "As Sulay Warehouse" and "Al Nakheel Branch"

Comments on Arabic version on the Laptop

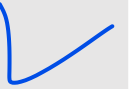

Wrong alignment, not centered in the screen; doesn't look nice. Illustration should be visible
